AESTHETIC AWARDS 2015 SPECIAL LIFETIME ACHIEVEMENT AWARD

For our senior nurse **LIZ BARDOLPH** LLM BSc RGN RM INP FRSPH

We are so pleased and proud to announce that Liz was given this surprise award at our industry's equivalent to "The Oscars" in recognition of her services to the Aesthetic Medical industry.

In a career in aesthetics spanning 18 years, Liz is one of the pioneers in this industry and has worked tirelessly to not only help thousands of patients but also raise standards in a very unregulated sector!

Liz is a founding member and past-President of the British Association of Cosmetic Nurses (BACN) and previously worked with the RCN on standards.

WELL DONE LIZ and we are so proud to have you in our clinic team!
